UNIVERSITY OF MYSORE

OFFICE OF THE CONTROLLER OF EXAMINATIONS, MYSORE UNIVERSITY, MYSORE.

Engineering Examinations—September 1966

DRAFT TIME-TABLE

(Note carefully the change in time)

First Examination in Engineering (Integrated Course)

Date	*Time*	*Subject*
Practicals to commence from : 1966		Oral and Practical Examinations in Batches (1) Workshop Practice*** (2) Physics Practicals (3) Chemistry Practicals
Wednesday, 14th September 1966 ..	8 A.M. to 11 A.M.	English*
Thursday, 15th September 1966 ..	do	Physics**
Friday, 16th September 1966 ..	do	Chemistry**
Monday, 19th September 1966 ..	do	Mathematics I (A)**
Tuesday, 20th September 1966 ..	do	Mathematics I (B)**
Wednesday, 28th September 1966 ..	do	Civil Engineering***
Thursday, 29th September 1966 ..	do	Drawing***

Note :—(1) *Common to Pre-Professional Examinations in Engineering, Dental Surgery and Medicine, I.B.E. Examination of Five Year Integrated Course and first Examination in Engineering (Special) for Diploma holders.

(2) ***Candidates admitted directly to the Second Year of the Five Year Integrated Course will take these subjects in addition to their Second Year Subjects.

(3) Detailed Time Table for the Practical Examinations will be announced by the Chief Superintendents of Centres later.

(4) **Common to PPC Examination in Engineering and I.B.E. (IC) Examination.

Second Examination in Engineering (Integrated Cours)

Date	*Time*	*Subjects*
Friday, 30th September 1966 ..	8 A.M to 11 A.M ..	Mathematics II (*a*)
Saturday, 1st October 1966 ..	do	Physics II
Monday, 3rd October 1966 ..	do	Mathematics II (*b*)
Tuesday, 4th October 1966 ..	do	Chemistry II
Wednesday, 5th October 1966 ..	do	Engineering Materials (Metals)
Thursday, 6th October, 1966 ..	do	Mechanical Engineering I
Friday, 7th October 1966 ..	do	Building Drawing I
Saturday, 8th October 1966 ..	do	ElectricalEngineering I
Monday, 10th October 1966 ..	do	Machine Drawing I
Tuesday, 11th October, 1966 ..	8 A.M. to 12 NOON	Applied Mechanics and Graphic Statics
Practicals to commence from 14th September 1966		Oral and Practical Examinations in Batches :— (1) Surveying Practice I (2) Workshop Practice

Note :—1 Detailed Time Table for the Practical Examinations will be announced by the Chief Superintendents of Centres later

2 B.Sc Graduates and passed Intermediate candidates admitted directly to the Second Year of the Five Year Integrated Course will also take the papers in (1) Civil Engineering and (2) Drawing of the First Year Integrated Course on 2-th September 1966 and, 29th September 1966 respectively between 8 A.M. and 11 A.M. as well as the Practical Examination in Workshop Practice of the First Year Integrated Course as per practical time table arranged by the Chief Superintendents of Centres later.

Third Examination in Engineering (Integrated Course)

Date	*Time*	*Subjects*
Practical to Commence from— 28th September 1966	..	Oral and Practical Examinations in Batches :— (1) Surveying Practice II (2) Mechanical Laboratory (3) Electrical Laboratory (4) Applied Mechanics Laboratory (5) Workshop Practice
Wednesday, 14th September 1966	.. 8 A.M. to 11 A.M.	Mathematics III
Thursday, 15th September 1966	.. do	Surveying II
Friday, 16th September 1966	.. do	Civil Engineering II
Monday, 19th September 1966	.. do	Physics III
Tuesday, 20th September 1966	.. do	Strength of Materials
Wednesday, 21st September 1966	.. do	Mechanical Engineering II
Thursday, 22nd September 1966	.. do	Electrical Engineering II
Friday, 23rd September 1966	.. do	Fluid Mechanics
Saturday, 24th September 1966	.. do	Graphic Statics
Monday, 26th September 1966	.. do	Machine Drawing II
Tuesday, 27th September 1966	.. do	Civil Engineering Drawing II

Note :—1 Detailed Time Table for Oral and Practical Examinations will be announced by the Chief Superintendents of Centres later.
